

**WE CARE &
Voices United**
Present
**HOW
RECOVERY
CHANGES
THE BRAIN**

SHARON LUTMAN RN, LMFT

**(Facilitator of the WE CARE Health Professional Support Group
and presenter for 26 years regarding neurochemistry of addiction)**

7.5 CEU's — JAN. 21, 2012 — 8:00 am to 3:30 pm

In this one day experiential workshop you will:

- 1. learn about the neurochemistry of the brain and how addiction interacts with natural processes**
- 2. discover how the drugs of abuse change the brain**
- 3. explore the differences that predispose certain individuals to addiction**
- 4. be introduced to the research regarding recovery skills and how they change the brain**
- 5. explore many different recovery skills both in 12-step and other modalities**

Training Location

**Residence Inn - Marriott
6111 San Ignacio Avenue
San Jose, CA 95119**

**\$80 for 7.5 CEU's (early registration)
